From Al Smith, Vice President, HSAC, dated January 20, 2000,
transmitting highlights of the HSAC Executive Committee meeting
of January 18, 2000.

ACTION IS REQUESTED on the following:

When contents of the 2000 HSAC Legislative Package were being adopted by each of the counties, one of the measures relating to a change in the civil service laws relating to eligibles for police recruit vacancies was deleted because it was believed by Maui County that the problem was a local one. It has since been determined that Maui is also having problems filling vacancies in its police force.

Requests that Maui and Hawaii reconsider their positions on this matter and authorize HSAC's support of changes in the civil service laws relating to eligibles for police recruitment vacancies.
