- (Bill 218) AN ORDINANCE TO AMEND ORDINANCE NO. 03-91, AS AMENDED, THE OPERATING BUDGET FOR THE COUNTY OF HAWAI'I FOR THE FISCAL YEAR ENDING JUNE 30, 2004 (by appropriating a \$844,125 Hawai'i Island Meth Initiative - COPS grant)
- 
- From Finance Director William Takaba, dated January 22, 2004, transmitting the above resolutions and bill. The Hawai'i Island Meth Initiative is a joint effort of U.S. Senator Daniel K. Inouye, the Hawai'i Community Foundation, and the County of Hawai'i. This cooperative effort is in response to the devastating effect that ICE or crystal methamphetamine is having on our children, our families and our communities. In February of 2003, Senator Inouye successfully earmarked funds for the Hawai'i County Meth Initiative, which was put into the budget of the U.S. Department of Justice and assigned to the Community Oriented Policing Services (COPS) agency. The Hawai'i Community Foundation (HCF) was designated by Senator Inouye as the recipient of the COPS grant, and they have worked closely with the Office of the Mayor and the Hawai'i Island community to implement this initiative. The monies were focused on three primary areas: Enforcement, Treatment and Prevention, and the county agencies identified as being able to effectively utilize these resources to immediately impact the ICE problem are the Hawai'i County Police Department, the Office of the Prosecuting Attorney, and the Hawai'i County Resource Center.

From Finance Director William Takaba, dated January 22, 2004, transmitting the above bill. This appropriation, using funds from the General Fund's fund balance and/or other sources, is needed for unanticipated costs related to additional environmental assessment work, environmental assessment radar study costs, revisions to the channel plan, radio costs, electromagnetic environmental (EME) testing, and other unforeseen requirements related to the replacement of the existing microwave communications system used by a variety of public safety agencies.

From Finance Director William Takaba, dated January 22, 2004, transmitting the above bill. Due to a lack of funding over the years to repair and to maintain Parks and Recreation facilities, many projects were postponed.
