Pursuant to Hawai'i Revised Statutes §92-41, notice is hereby given that the Hawai'i County Council's Committee on Planning will be holding two workshops on Bill No. 163, Draft 2, a bill for an ordinance adopting the County of Hawai'i General Plan. Bill No. 163, Draft 2, proposes to repeal Ordinance No. 89 142, Hawai'i County General Plan, as amended, and replace it in its entirety.

As required by the Hawai'i County Charter, the County Council in 1971 adopted by ordinance a General Plan which set forth the Council's policy for long range comprehensive physical development for the County. The General Plan also required five and ten year comprehensive reviews and updates to maintain the Plan's dynamism and flexibility to accommodate major changes and trends within the County.

Bill No. 163, Draft 2, proposes numerous amendments to Bill No. 163 and the Hawai'i County General Plan, as part of the current comprehensive review. Revisions include changes to the following elements and components: Economic, Energy, Environmental Quality, Flooding and Other Natural Hazards, Historic Sites, Natural Beauty, Natural Resources and Shoreline, Housing, Public Facilities, Public Utilities, Recreation, Transportation, Land Use, the Plan's Introduction, Plan Implementation and Amendment Procedures. This bill also proposes amendments to (1) the Facilities Maps and (2) the Land Use Pattern Allocation Guide Map, which are the graphic expressions of the General Plan policies, particularly those relating to land uses.

A comprehensive presentation about the proposed General Plan amendments contained in Bill No. 163, Draft 2, will be conducted, followed by a question and answer session.
