1/ Residential (Schedules R & E) refers to single-metered residential customers which may include condominiums for visitor use but excludes master-metered apartment and condominium buildings used by residents which are classified as commercial customers.

2/ General (Schedules G & J) refers to general light and/or power loads which are supplied through a single meter.

3/ Commercial cooking and heating (Schedules H and K) applies only to commercial heating (including heat pump water heaters), air conditioning and refrigeration service.

4/ Large power (Schedule P) is applicable to large light and/or power service supplied and metered at a single voltage and delivery point.

5/ Street lighting (Schedule F)
