1/ Including Kalawao County.

2/ Net migration of legal immigrants to the U.S., undocumented immigrants to the U.S. and emigrants from the U.S.

3/ Net movement of Armed Forces, federally affiliated civilian citizens, and their dependents between the U.S. and overseas.

4/ Net of migration to a state from other states and from a state to other states. This includes the Armed Forces and their dependents.

5/ The bulk of the residual change component is internal (domestic) net migration though we have no reliable way to quantify it. The residual change figure is also affected by any inaccuracies in input data or variations in implementing the estimating.
