County State and Federal Staff Assess Damages From Storm

County, State and Federal personnel began inspecting damage as a result of Wednesday's storm.

The County Department of Public Works is evaluating damage to roads and the Department of Housing will focus on commercial structures.

The State of Hawaii, Department of Transportation is also assessing damage to their road system, and the Federal Farm Service Agency is contacting farmers to inspect their damaged fields.

Damage assessments to County property are scheduled to be available Friday afternoon.

"Most of the damage occurred between Hōkūkano Road and Ki'ilae," said Bruce McClure, director for the County of Hawai'i Department of Public Works, "Crews were still in the area as of 4:00 p.m. today."
